Spring Clean-up

With spring already here, it's time to clean-up the community. For your convenience, dumpsters will be placed at Marriott Park and Slaterville Park from April 23-24. Please put all debris inside the dumpster, not on the ground. This is a complimentary service, please be considerate of others using the dumpster. No tires or hazardous material please. For junk cars, call Bill at the City Office, 801-627-1919 ext. 205.

Art in April

Marriott-Slaterville will host an Art in April Show on April 15th and 16th, from Noon until 8:00 PM, at the Marriott-Slaterville City Building, 1570 West 400 North. The Art Show will highlight some of the amazing talent within the community and to help add to the decor of the city building!

We invite all artists, who work in any medium from photography to woodwork, to enter the show. Rules and applications are available at the city office. Awards will be given and each exhibitor will have the opportunity to offer their work for sale if they elect to do so. The City Building will be open to visitors on the above days and times to allow residents, guests, and businesses to enjoy the show.

Support the Arts in our town and submit your work or just plan to visit the Art in April show!

\$500.00 REWARD TO END VANDALISM

For information leading to the successful arrest and conviction of any person responsible or others involved with vandalizing parks, road signs, or public property. **Contact Weber Dispatch at: 801-629-8221.** Informants will be kept confidential to the extent provided by law.

General Burning Regulations

The State of Utah now handles burn permits. Weber Fire District no longer issues burn permits. Burn permits are to be obtained from the Utah Department of Environmental Quality. Here is the link to the website:

<http://www.airquality.utah.gov/Compliance/OpenBurning/index.htm>.

Yard burning requires a valid burn permit issued during the open burn window when the National Weather Service clearing index is 500 or greater. The burning of trash, rubbish, tires, hazardous material, or oil products is not allowed. Certain agriculture burning of ditches and fence lines may be allowed at other times.

The spring burn permit window is March 31 to May 30. The fall burn permit period is September 15 to October 30, if approved by the state forester. You cannot obtain a burn permit from the state until the burn window begins. For questions, call the Utah Division of Air Quality at 801-536-4000 for more information.

North Slaterville Irrigation

The North Slaterville Irrigation Company will hold its annual shareholders meeting on April 14, 2016 at 7:00 PM at the Marriott-Slaterville Senior Center, 1570 West 400 North.
