## Spring Clean-up

Spring is coming and it's time to clean-up the community. For your convenience, dumpsters will be placed at Marriott Park and Slaterville Park from April 21-22. Please put all debris inside the dumpster, not on the ground. This is a complimentary service, please be considerate of others using the dumpster. No tires or hazardous material please. For junk cars, call the City Office at 801-627-1919.

---

## Art in April

Marriott-Slaterville will host its annual Art in April Show this year on April 13th and 14th, from Noon until 6:00 PM, at the Marriott-Slaterville City Senior Center, 1570 West 400 North. The Art Show will highlight some of the amazing talent within the community.

We invite all artists, who work in any medium, such as photography to woodwork, to enter the show. Rules and applications are available at the city office. Awards will be given and each exhibitor will have the opportunity to offer their work for sale if they elect to do so. The City Building will be open to visitors on the above days and times to allow residents, guests, and businesses to enjoy the show.

Support the Arts in our town and submit your work or just plan to visit the Art in April show!

## General Burning Regulations

The State of Utah issues burn permits. Burn permits are to be obtained online from the Utah Department of Environmental Quality at:

<http://www.airquality.utah.gov/Compliance/OpenBurning/index.htm>.

Yard burning requires a valid burn permit issued during the open burn window when the National

Weather Service clearing index is 500 or greater. The burning of trash, rubbish, tires, hazardous material, or oil products is not allowed. Certain agriculture and burning of irrigation ditches and fence lines may be allowed at other dates than those provide herein.

The spring burn permit window is March 31 to May 30. The fall burn permit period is September 15 to October 30, if approved by the state forester. You cannot obtain a burn permit from the state until the burn window begins. For questions, call the Utah Division of Air Quality at 801-536-4000 for more information.
