Volume XIX Issue 8

Marriott-Slaterville City Newsletter

August 2017

1570 West 400 North – Phone 801-627-1919 – www.marriott-slaterville.org

Local Updates

- **Summer Road Projects.** Post Asphalt will be completing various road projects throughout the city making repairs to damage done over the winter and reconstructing 1700 West. Please drive safely.
- **Dark Sky Public Hearing.** The Planning Commission will hold a public hearing on August 15, 2017, at 7:00 PM to discuss implementing a Dark Sky Ordinance.
- **Recycling Program.** Marriott-Slaterville residents recycle. Recycling is every other week, which will be August 14th and 28th.
- **Fire Pits.** Many residents in Marriott-Slaterville enjoy back yard fire pits. Smoke from your fire pit can affect your neighbor, so be courteous. Remember to locate your fire pit the proper distance from your neighbor and any property lines. Please call Weber Fire District at 801-782-3580 for questions.

Garden Market & Garage Sale

Marriott-Slaterville City is currently hosting the Garden Market & Garage Sale every Saturday from 11:00 AM to 2:00 PM through Labor Day Weekend at the City Hall Parking Lot located at 1570 West 400 North.

There is plenty of parking, restroom facilities, and a playground for the kids. Bring over your garden produce or garage sale items, meet your friends and neighbors, and have an enjoyable Saturday morning. Remember to clean-up your space when you are done. For more information contact Cecile Morris at: 801-628-2921, or by email: cecilemorris2@aol.com.

Mosquito Abatement

It's mosquito season! Unfortunately, mosquitoes love summer as much as we do. But there are a number of things that you can do to prevent and protect yourself and your family from mosquitoes and West Nile Virus.

The Weber Mosquito Abatement District (Weber MAD) recommends watching for these trouble spots where water can collect: birdbaths and fountains, rain gutters and downspouts, plant saucers, old tires, buckets, over-watered lawns and gardens, pet dishes and horse troughs. If you are outside in the evening or early morning, which are peak mosquito times, take measures to protect yourself from mosquito bites. Wear long pants and long sleeve shirts and apply a mosquito repellent approved by the Environmental Protection Agency. Repellents containing the active ingredients DEET, Picaridin, or oil of lemon eucalyptus have been approved. Read and follow label directions carefully for application and reapply as needed.

The Weber MAD also wants to know the location of beehives to avoid spraying in these sensitive areas and they need your help in locating these hives. There are also other services they offer to the public, just call and ask. And, especially, when experiencing mosquito problems around your home call them at 801-392-1630 or visit their website www.webermosquito.com for help and information – that's their job.
