3. New business, if any.
4. Officer reports and legislative oversight.
5. Adjourn unit April 17, 2014.

This agenda is tentative. Items can and will change. Meetings may be cancelled if there are no business items.

Baseball and Softball

Marriott-Slaterville has joined with Harrisville for youth recreation programs.

Baseball and Softball sign-ups for grades K-9 are just around the corner. Sign-up will run March 1st through March 31st. We are also seeking several seasonal employees to staff the summer recreation program. Please visit the Harrisville City website at www.cityofharrisville.com for more information.

Youth Volleyball

Marriott-Slaterville and Harrisville are interested to gauge community interest regarding a volleyball program as part of youth recreation. Divisions may be offered for grades 5th – 9th. The season may be during July, August, and/or September, and games may be played indoors at Orion Jr. High School.

Please email any comments to Bryan Fife at bfife@cityofharrisville.com. Comments/responses will be taken during March at which time a decision will be made as to whether or not there is enough interest to support a volleyball league.

North Slaterville Irrigation Annual Meeting

Attention: The annual meeting of the North Slaterville Irrigation Company will be held on Thursday, March 19, 2014, at 7:00 PM at the Marriott-Slaterville City Offices. Patrons Please Attend. Thanks, Neil Saunders, Secretary.

Spring Gardening

Thanks to all who took time to volunteer, weed, clean-up, and trim the plants in our Community Gardens last year. We had youth groups and many adults who helped us prepare the gardens for winter.

Now spring is soon upon us, hopefully a little earlier than last year, and we are still in need of a lot of helpers to do service. Our gardens need a lot to prepare for this new growing season. Let us know if you or your group can help for 1-2 hours this spring. Thank you! Sandra Saunders, 801-731-2123; or DeAnn Hufstetler: 801-731-5129.

For your information: It is not too early to begin pruning trees and shrubs and cut down perennials, except tender perennials. You can also cut down ornamental grasses, or burn if you're careful and watch the air quality. Clean-up, volunteer, and show what a great city we are!
