Utah Renaissance Festival

The Utah Renaissance Festival & Fantasy Fair opens May 4-6, 11-13, and 17-20. Enjoy a superb artisan market place, terrific renaissance food and entertainment. Our Utah Renaissance Festival & Fantasy Fair was recently featured on National Geographic's Knights of Mayhem reality series as they practice their full contact, never choreographed, art of jousting.

The Faire hosts numerous non-profit organizations dedicated to demonstrating renaissance technologies such as blacksmithing, foundry work, weaving, baking and more. These groups, sometimes referred to as guilds, occasionally hail from neighboring states, although several of them are local members of national organizations which preserve and promote historical arts.

Your invited to enjoy the Faire days of May at the Utah Renaissance Festival & Fantasy Faire right here in Marriott-Slaterville! This year's Faire will open daily at 10 AM and run to 8 PM all days but Sundays, when it closes at 6:30 PM. Tickets are available at the ticket office, with a \$2 dollar discount for federal employees, guests in renaissance garb, seniors over 62, and military.

Adults are \$12, children from 6 to 12 are \$6 and 5 and under are free of charge. Visit the web site at www.utahrenfest.com or check out our Facebook. The Faire on Pioneer Road about 1 mile west of Exit 346 off I-15. 'Go Medieval' this spring!

Respect Road Improvements

As summer approaches the City is doing road maintenance. The first project was replacement of two culverts on 2200 West between Pioneer Road and Slaterville Park. During the repair, the old culverts had to be removed and new ones placed. The road had to be closed to allow time for the concrete to dry and cure. While the road was closed a person in a truck drove around the road closed signs, onto a resident's private front lawn, and through the wet cement at the culverts. The truck sunk deep into the wet concrete causing deep ruts had to be fixed. This damage caused additional expense and delay re-opening the road. Please do not drive around road closed signs, they are there for a reason. There is a \$50 reward for any information that leads to the conviction of the person that drove a truck around the road closed signs and through the wet concrete on 2200 West.
