## Irrigation Season Ends

The irrigation season comes to an end in early October. The pressurized irrigation system will be winterized. Residents and business should plan to winterize their sprinkling systems at that time as well.

## Neighborly Notes

It is easy to be a good neighbor! Show respect for your neighborhood by walking dogs using a leash and keep your dog from excessively barking. Turn down loud music and keep noise levels low in neighborhoods. The use of motorcycles and ATVs of any kind is prohibited in parks and on trails.

## Fall Clean-up

Get your yards cleaned up before winter. Fall Clean-up days are **October 18-19**. Dumpsters will be located at Marriott Park and at Slaterville Park. Please put all garbage and debris completely inside the dumpster, not on the ground. This is a complimentary service, please be considerate of others using the dumpster. No tires or hazardous materials.
