

THE PIONEER POST

Marriott-Slaterville City Newsletter

March 2025

Volume XXVII Issue 3

1570 West 400 North – Phone 801-627-1919 – www.marriott-slaterville.org

Seed & Greet

Join us on Wednesday, March 19, at 6:00 PM at the City Office, 1570 West 400 North. We will discuss gardening tips and offer free samples of flower and vegetable seed! It is the perfect time to plan your garden and meet other gardeners.

Art in April Show

The Annual Art in April Show is April 11-12 from noon until 6:00 PM. Come enjoy the incredible talent in our community at the Municipal Complex, 1570 West 400 North. Entry forms can be obtained at the City Office. Prizes and awards will be given to the winners of the various categories. Entry is free. Please drop-off your art at the City Office with your completed entry form before April 10th at 4:00 PM. Art will be returned to the owner at the City Office the week following the Art in April Show.

Easter Egg Hunt

The Annual Marriott-Slaterville City Easter Egg Hunt is Saturday, April 19, at 10:00 AM at Slaterville Park. This event is primarily for children up to eight (8) years of age. Bring your camera to get a photo with the Easter Bunny. See you there rain or shine!

Road Projects

This year there will be a number of road projects in the community. To the resident who sent an anonymous letter to the City about potholes on S.R. 126 and 400 North, please resend your letter to UDOT. This is a UDOT intersection and not under the jurisdiction of the City. UDOT will be widening the intersection on S.R. 126 and 700 South. UDOT may also be making improvements on S.R. 126 and 400 North. Please plan for significant delays during construction and use alternate routes.

Marriott-Slaterville City will be upgrading utilities and reconstructing 1700 South. The road will be entirely rebuilt, including the sub-grade. It is anticipated this project will take about two (2) years to completed and traffic may be limited to residents and businesses only during construction. The road may be closed at times and there will be significant delays and impacts to traffic in the area as a result of the construction. Please plan alternate

routes. The City also has several chip seal projects throughout the community.

Local Updates

- ▶ Utility Rates. City sewer, storm water, secondary water, garbage and recycling rates will remain the same thru the end of June 30 fiscal year.
- ▶ Dark Sky. The City adopted a Dark Sky Ordinance in 2017. Light pollution affects sleep patterns and health. Please turn off your lights. Replace lights that are not compliant. If you have questions refer to the International DarkSky Association: darksky.org.
- ▶ Nuisances. Performance standards are regulations that limit nuisance activities such as loud noises, vibrations, and construction during hours when people are sleeping. Please be a courteous neighbor or business and limit disturbances at night or early morning.
- ▶ Dogs. Please walk dogs using a leash and keep your dog from excessively barking. Too many neighbors are experiencing aggressive dogs while walking in the community.
- ▶ Ride Safe. It is legal to use an OHV only on local roads for operators who have a valid license, insurance, and registration. OHVs are still prohibited on state roads, parks, and trails. State law now requires OHV operators to complete the Utah Off-Highway Vehicle Education Course.
